Subject: 08/852495- HH gene.

Hello Jeff-

I need to search approximately 13 SNP in the HH gene. This application has been through 6 rounds of prosecution in the antibody art unit and there does not appear to be any search in the application. I am now starting at an RCE and need a search. Please call with any questions. If you approve, please send to Barb. Thank you.

Hello Barb-

Please place results on DISK.

Please search for:

15 Mers from SEQ ID NO: 1 between positions

1	230362	230390
2	214781	214809
3	207386	207414
4	200013	200041
5	195390	195418
6	159993	160021
7	125567	125595
8	120839	120867
9	96301	96329
10	61451	61479
11	40417	40445
12	38512	38540
13	35969	35997

Please Search for 20 mers from SEQ ID NO: 1 between positions

1	230357	230395
2	214776	214814
3	207381	207419
4	200008	200046
5	195385	195423
6	159988	160026
7	125562	125600
8	120834	120872
9	96296	96334
10	61446	61484
11	40412	40450
12	38507	38545
13	35964	36002

Please search for 100 mers from SEQ ID NO: 1 between positions:

1	230277	230475
2	214696	214894

3	207301	207499
4	199928	200126
5	195305	195503
6	159908	160106
7	125482	125680
8	120754	120952
9	96216	96414
10	61366	61564
11	40332	40530
12	38427	38625
13	35884	36082

THANK YOU
Jeanine
